

Year One Homework Term 2

Remembering	Understanding	Applying	Analysing	Creating	Evaluation
Practise recalling pairs of numbers that make 5. e.g. $1 + 4 = 5$.	How is Christmas celebrated in other countries? Present this in any way you like.	Which questions could you ask an elder person to find out about how they celebrated birthdays in the past.	Research a Christmas party game and explain why it is a good game for a party.	Make a collage from autumn objects	What is your favourite story and why?
Learn the names of all the letters of the alphabet. Can you recite them to the class?	Design a poster for firework safety.	Create a poster giving some information about a celebration that takes place this term. E.g. Divali.	Draw your favourite firework and explain why you like it.	Design and make a sleigh	How could you make your sleigh better?

Please select one homework task each week, ensuring that you select your task from a different column each week. This will ensure that a variety of different skills are practised.

When you have completed the task, colour in the matching colour on the rainbow.

We will not be setting additional homework, but expect that your child will continue to read every day.
